Notice of assessment

CHRISTOPHER LITTLE

2012 Income Tax and Benefit Return

Important: *The content below is a summary of your notice of assessment or reassessment.*

Explanation of changes and other important information

Thank you for filing your income tax return. This notice explains the results of our assessment and any changes we may have made. Please refer to the "Summary" area for additional information.

We have adjusted your federal dividend tax credit to $4,865.99. This tax credit is a percentage of the taxable amount of dividends from taxable Canadian corporations, and it cannot be more than your total federal income tax.

Our records show that you have unused non-capital losses of other years. The amount that is available to apply to other years is $14,324.

A Tax-Free Savings Account (TFSA) allows Canadian residents, who are 18 years of age or older, to earn tax-free investment income throughout their lifetime. To find out how much you can contribute to your TFSA for 2013, go towww.cra.gc.ca/myaccount or call our Enquiries service at the number shown on this notice. For more information concerning TFSAs, go to www.cra.gc.ca/tfsa.

Use My Account to access and manage your tax and benefit information online. Make changes to your return, check your RRSP information, set up direct deposit and more. To register for My Account, go to www.cra.gc.ca/myaccount.

If you have any questions about your assessment, please call our Enquiries service at **1-800-959-8281**. If you need to contact another area of the Agency, see the telephone listings in the government section of your telephone book.

Explanation of changes and other important information

Thank you for filing your income tax return. This notice explains the results of our assessment and any changes we may have made. Please refer to the "Summary" area for additional information.
