Re: Raegan Affleck Letter of Employment.

Raegan began working for MobilGrain May 1, 2013. He is a permanent full time employee participating in our employee benefits package as such, and earning a base wage of \$80,000 annually.

Currently Raegan works in our Track Maintenance Department. He has proven to be very conscientious and methodical throughout the course of his employment. We look forward to keeping Raegan employed well into the future.

Sincerely,
