Portability Options

- 1 The borrower may, when not in default, and upon a bona fide arm's length sale of the property charged hereunder and the purchase of another property, apply for approval to transfer this mortgage as a charge of the same priority and of the same amount to the new property. The completion of the borrower's purchase transaction must occur no later than 30 days after the completion of the borrower's sale transaction. In most cases, an arm's length sale is one where the buyer and seller are unrelated and have no personal or business relationship with each other.
The existing borrower and the new property must both qualify under the lender's underwriting policies, criteria, procedures and documentation requirements and those of any insurer, if applicable, in effect at the time of application. The borrower will be required to pay the port application fee, title insurance processing fee, appraisal fee and insurance premiums, if any, and all other fees and prepayment compensation that may be associated with the granting of the approval to port. (Broker)

Prepayment Policies

- 1 The borrower may prepay this mortgage in full at any time upon a compensation payment to the lender of three (3) months interest calculated by the lender on the remaining balance and at the interest rate set out in the mortgage form or last renewal, conversion or amendment thereto.
(Applicant)

- 2 The following privileges may be used in the same year.

The exercising of either privilege will not affect any of the borrower's obligations under this mortgage including the continuing regular loan payments as to amount or due date.

Privileges are not cumulative and may not be carried over from one year to the next.

(a) PARTIAL PREPAYMENT

The borrower, when not in default, may prepay partial amounts of principal, without payment of compensation to the lender, on any payment date. Such partial payments must each be a minimum amount of \$ 100.00, and total no more than 20% of the original principal amount of this mortgage during each year. This privilege is only available if this mortgage is continuing in force and is not applicable in part to any prepayment in full of this mortgage. Any unused partial prepayment privilege will not reduce the compensation payable on any prepayment in full of this mortgage. This privilege may not be used in the 31 days prior to a prepayment in full of this mortgage.

(b) PAYMENT INCREASE

The borrower, when not in default, shall have the privilege of increasing the then regular loan payment on account of principal and interest, in an amount not to exceed 20% thereof, or reducing the aforesaid increased payment by an amount up to but not exceeding 20%, once during any year. It is understood that the principal and interest portion of the regular loan payment may never be less than the original principal and interest amount.
(Applicant)

Rate Adjustment Policies

- 1 The Borrower, when not in default, and at any time after having made regular payments for one month or more, may convert this adjustable rate mortgage to any closed, fixed rate mortgage that is available for a similar mortgage offered by the Lender at the time the request to convert is received. The fixed term chosen must be such that the maturity date of the fixed term is equal to or greater than five years from interest adjustment date of the Original Term of this adjustable rate mortgage at the time this conversion option is exercised.
The fixed rate will be the rate the Lender then quotes for the term so chosen by the Borrower under this option.

WBW
CSW

The Lender may require all Borrowers and Guarantors to sign a mortgage conversion or amending agreement, which will contain all the terms and conditions of the mortgage option selected. Or, at the Lender's sole option, a written request to convert, signed by all Borrowers and Guarantors will be accepted, and be binding on all signing parties, in lieu thereof.

The remaining amortization period at the date of conversion will remain unchanged from this adjustable rate mortgage and will be used to calculate the loan payment amount on the fixed rate mortgage. The new interest rate will begin on the first or second scheduled payment date following conversion, whichever the Lender decides, in its sole discretion.

The Lender will not charge an administration fee for converting this mortgage. However, the Borrower must pay to the Lender any applicable administration and processing fees and any interest that results from a change in the frequency of the regular loan payments. The Borrower must also pay all legal expenses related to the conversion documents and their registration, if applicable. If the required fees and expenses are not paid, the Lender may declare the Borrower in default on the mortgage, or add such fees and expenses to the mortgage money or both.

Once this conversion option has been exercised and this mortgage has been converted, all the features and benefits of this mortgage will be rescinded and the features and benefits of the new mortgage will take effect whether or not a conversion or amending agreement is signed by, or delivered to, the Borrower. (Applicant)

- 2 The interest rate payable under this mortgage is an adjustable rate. The total interest rate will be automatically adjusted with changes to the Lenders Prime Rate, as it may be set from time to time, plus or minus, if any, the specific percentage points per annum set out in this mortgage or any amendment thereto. The Prime Rate is, on any day, the annual rate of interest, compounded semi-annually not in advance, that the Lender establishes from time to time, as its Prime Rate for residential mortgage loans. (Solicitor)
- 3 Should the actual interest rate charged on the mortgage be less than the amount set out in the Commitment Letter or the mortgage document, the Lender shall not be obligated to communicate this change in rate to the mortgagor. (Broker)

Administration & Service Fees

- 1 If, at any time or from time to time, any default or breach of covenant occurs under any encumbrances registered against the land and which encumbrance has priority over this Mortgage, it shall constitute default under this Mortgage and we may pay all monies and take appropriate action to cure any default or breach under any such encumbrance. All costs, fees, charges, expenses and amounts paid by Street Capital Financial Corporation to cure any default or breach under any such prior encumbrance, shall be charged on the land and secured under this Mortgage and shall be recoverable by us in the same manner as any default or breach of covenant under this Mortgage. (Applicant)
- 2 There may be a fee charged for any payment that is returned or dishonoured. (Applicant)
- 3 The applicant is responsible for any costs relating to the mortgage including legal, appraisal, survey, Title Insurance or inspection fees, unless otherwise specified in this commitment letter. (Applicant)

Requests for any changes to the terms and conditions of the Commitment will only be considered if your request is received by us in writing at least 5 business days prior to the Advance Date.

Acceptance:

This Commitment shall be open for acceptance by you until 11:59 pm on April 30, 2015 after which time, if not accepted, shall be considered null and void. Furthermore, the mortgage must be advanced by no later than June 30, 2015 at which time it expires.
