Thank you for filing your income tax return. This notice explains the results of our assessment and any changes we may have made. Please refer to the "Summary" area for additional information. Keep this notice for your records.

Based on our records, you may have to make instalment payments for the 2014 tax year and/or subsequent tax years. For more information about making instalment payments, go to www.cra.gc.ca/instalments or get Pamphlet P110, "Paying Your Income Tax by Instalments."

As of the date of this notice, you have unused net capital losses from other years of \$183. However, if you apply this amount to any year other than the current tax year, your unused balance may have to be recalculated. This is because of the different capital gains rates for those years. You can use your unused net capital losses to reduce taxable capital gains that you have reported. For more information, see our Guide T4037, "Capital Gains."

A Tax-Free Savings Account (TFSA) allows Canadian residents, who are 18 years of age or older, to earn tax-free investment income throughout their lifetime. To find out how much you can contribute to your TFSA for 2014, go to www.cra.gc.ca/myaccount or call our Enquiries service at the number shown on this notice. For more information concerning TFSAs, go to www.cra.gc.ca/tfsa.
