Explanation of changes and other important information

We changed your federal amounts transferred from your spouse or common-law partner from $2,953 to $706. This amount takes into account your spouse's or common-law partner's correct income and any revised amounts you had available to transfer.

Please see the "Summary" area for your new total non-refundable tax credits.

Based on the information we have, we changed your family tax cut from $1,975.85 to $1,818.44.

We charged you arrears interest of $16.32 on the balance you owe. We calculated this interest to the date of this notice.

We took back $2.11 of the refund interest we gave you on an earlier refund since you were not entitled to all or part of that refund. You can deduct this amount when you calculate your taxable income for the current year.

You can avoid more interest charges if you pay the balance due by March 30, 2016.
