The on-line employee self-service summary is for informational purposes only. All original signed enrollment, change, and beneficiary designation forms (for group life insurance) are kept in your UBC employee file. In the event of a discrepancy between the on-line summary and your file, your original signed forms will take precedence. It is your responsibility to inform the Payment & Procurement Services (Payroll) of any changes in personal data, coverage, dependent details, designated beneficiaries, etc. It is also your responsibility to confirm that your requested change(s) has been made.
